

Jim Cornelius, Director Corporate Fleet Operations, East Penn Manufacturing

With over 25 years in the supply chain industry, holding various positions in distribution operations management and transportation management, Jim is well versed in end-to-end supply chain operations. As of September 2018, Jim is leading East Penn Manufacturing's corporate DSD and private fleet as *Director, Private Fleet Operations*. In his current role, Jim is responsible for the corporate strategies related to; fleet safety and compliance, fleet shipment planning/routing, fleet dispatch, fleet asset acquisition, fleet maintenance (both internal and 3rd party) and North American Private Fleet operations.

Prior to joining East Penn Mfg, Jim worked varying positions with Mondelez International, including; Manager of Customer Logistics where he led several teams in DSD operations, Distribution Operations Manager where he oversaw the opening and successful start-up of the largest NA DC for Mondelez Intl. and Senior Manager NA Transportation where he was responsible for the North American private fleet strategy for over 900 power units.
