

Tailored Brands Honored with 2018 Circle of Excellence Award

Tailored Brands was chosen for this award because of its sustainable supply chain management strategies and for its commitment to social responsibility, and environmental stewardship.

Tailored Brands' pursuit of growth through leadership in environmental, socially responsible, and ethical business practices reflects the broader set of commitments typical of companies who receive the Circle of Excellence Award that strive to improve their social, environmental and economic praxes.

In recognition and appreciation of their profound and sustained commitment to sustainable supply chain management strategies and for its commitment to social responsibility, and environmental stewardship the Distribution Business Management Association was proud to honor Tailored Brands with the 2018 Circle of Excellence Award.

Each year, a panel of DBMA experts and academics takes stock of America's major corporations and their demonstrated performance in conducting environmentally responsible business. The mission is to recognize past, present and future conscientiousness that ensures sustainability through investment in business tools, technology and management commitment.
