

**Presentation Overview**  
**Annual Executive Business Forum**  
**June 1-3, 2020**  
**Wigwam Resort, Litchfield, Ariz.**

---

**Session Title:**

Leading through a challenging economic environment

**Presenters:**

Walter Kemmsies, Economist

Matt Parry, SVP Logistics, Werner

Todd Steffen, VP Supply Chain Logistics, Colliers

**Session description:**

Global trade routes are realigning based upon major shifts in political, economic, and industry trends. Come interact with a panel of experts discussing these shifts and how supply chain leaders are planning to balance opportunity and risk in the years ahead.

**Key takeaways:**

- Global trends in demographics, policy, trade, and industrial investment.
- How companies are reconfiguring supply chains to balance opportunity and risk.
- Major challenges and opportunities over the next five years and how supply chain leaders are addressing and embracing them.
