

PAUL NEURAUTER
Kraft Foods
Director Transportation Commercialization
North America

Paul Neurauter was appointed to the position of Director Transportation Commercialization in March 2010. In this role, he is responsible to lead the strategic vision, design and implementation of the commercialization platform for North America.

He began his career in the healthcare industry with Baxter Healthcare in 1993. At Baxter, Paul held various headquarter and field based supply chain positions including Inventory Control Manager, Distribution Supervisor and Midwest Customer Fulfillment Manager.

In 1999, Paul joined Kraft Foods and has advanced through a series of leadership roles within Procurement and Product Supply including Director Logistics Procurement North America, Associate Director Logistics Procurement, Senior Category Buyer, Program Manager SMI, Manager Procurement Operations and Category Logistics Manager.

Paul has a Bachelor of Economics degree from Northern Illinois University, and obtained his MBA from Marquette University. Paul, his wife, Amy, and their two children reside in the Chicago area.
