

Amanda Martinez
Safeway, Inc.
Vice President, Manufacturing Operations
US Grocery

Amanda Martinez is the Vice President of Manufacturing Operations, US Grocery for Safeway, Inc, headquartered in Pleasanton, California. In this role, Amanda oversees the day to day operational, and financial, performance of 11 US Grocery Manufacturing Plants. These Plants include Safeway's five bread plants, four beverage plants, one grocery and one cookie & cracker plant. Amanda was promoted to her current role in 2010 after leadership roles within Logistics and Supply Chain Operations for Safeway. Amanda has experience in Procurement, Distribution, Import Logistics and Manufacturing. Amanda is an active member of Safeway's Women's Network Group, Safeway's Baby Club and the Northern California Chapter of Network of Executive Women. Amanda holds a Bachelor of Science degree in Health Care Administration, and a concentration in Gerontology, from Oregon State University. She has also completed training and course work in Lean Six Sigma.
