

TO: Supply Chain Leaders in Action
FROM: Don Walker, Chairman 2010
DATE: February 17, 2010
SUBJECT: Conference Registration & Important Dates

Greetings SCLA colleagues and welcome to 2010.

As you know, the SCLA Annual Business Forum, May 25 – 27, 2010 in Scottsdale, Arizona is rapidly approaching. Thanks to the hard work of the Education Sub-Committee, the Corporate Advisory Board, and the input received from the Executive Committee at the annual January meeting in Fort Lauderdale the content of the program is taking shape nicely. It is now time to register your teams to attend the conference.

I think one of the key roles relative to the conference is the selection of the attendees from our respective companies. As requested at our Executive Committee Meeting, Amy Thorn, the Education Sub-committee and the DBM Association staff have worked hard in putting together abstracts for each of the super sessions, refining the conference schedule, organizing peer groups, breakout sessions and securing dynamic keynote speakers. The enclosed registration material contains the latest information on the upcoming conference.

My request is that you use this material to select key supply chain associates in your organization that would both benefit from and contribute to the conference. Once you have made your selections please be prompt in getting their names to AmyMarie either via email at ayoder@dbm-assoc.com or (717) 295-0033.

Key dates to remember:

Wednesday, March 3rd

Number & names of anticipated conference attendees due to AmyMarie by 5:00 PM EST

Wednesday, March 17th

Attendee online registration submissions due by 5:00 PM EST

I look forward to seeing you in Scottsdale.

Regards,

Donald Walker
SVP, Distribution Operations, McKesson
2010 SCLA Chairman
